

#### 4 Reasons why It's Important to share His words! (Vision)

1. **God made us to know Him** – Human beings are unique, God made us in His image. We have a spirit, which means we can communicate with God. The Bible tells us, “***Even before the world was made, God had already chosen us to be his through our union with Christ, so that we would be holy and without fault before Him***” ***Ephesians 1:4*** . God wants a long- term relationship with us. People who do not know God miss the very point for which he put them on this planet, And that’s tragic!
2. **Evangelism was Jesus’ mission -and we’re called to do likewise-** The Bible makes it clear that Jesus’ mission is to “***Seek and to save the lost***” (***Luke 19:10***) Because we were created to be like Christ, Our mission should be the same as His. In fact, in John 17:18 Jesus spells this out even more specially: “In the same way that you gave me mission in the world, I give them a mission in the world” (The message)
3. **Evangelism is a privilege – 2 Corinthians 5:20** reminds us that we have the privilege of beings” Christ ambassadors” We can represent the Kings of Kings to the people in our lives. It’s a privilege to serve as an ambassador for a government. But it’s a much, much bigger privilege to represent the Creator of the universe to our friends, family, and neighbors - along with those who live on the other side of the planet. That’s the opportunity we have as we tell others about Jesus!
4. **Lastly, God wants everyone saved** – 2 Peter 3:9 says that God ” does not want anyone to be lost.” That means look at anyone whom God doesn’t want to save. No one is to far from God. If God wants everyone and every person to be saved, we should, too.
